Int'l Pharmaceutical and Cosmetics Manufacturing Expo

## Summary

---

In its 10<sup>th</sup> edition, the dynamic duo of INTERPHEX Week Osaka and Regenerative Medicine Expo Osaka reaffirmed its status as Japan's premier platforms showcasing the pharmaceutical and regenerative medicine industries.

Spanning across INTERPHEX OSAKA and PharmaLab Expo OSAKA, INTERPHEX Week Osaka once again drew industry leaders, showcasing cutting-edge advancements in manufacturing, packaging, R&D, and drug discovery. Concurrently, Regenerative Medicine Expo Osaka shone a spotlight on Japan's forefront position in regenerative medicine and tissue engineering, featuring a diverse array of exhibits ranging from culture media to contract services.

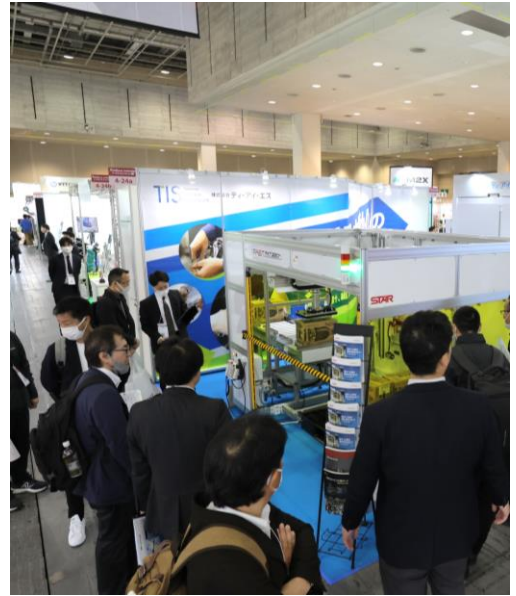

The events attracted a vibrant mix of attendees, including researchers, doctors, pharmaceutical manufacturers, and medical institutions from Japan and across Asia, fostering fruitful exchanges and collaborative opportunities.
